- **Will I be interviewed?:** Selected program candidates can be interviewed via Skype or telephone prior to departure.
- **What type of work will I do?:** This depends on the learning agreement signed and the needs of your hosting company, language skills and level of motivation/flexibility. Remember that this is a traineeship for candidates seeking to gain new skills and knowledge. Whilst you may want a management position in the future, this will not be possible on an internship. You are there to learn and develop your skills and should be given work which will enable you to do this.
- **What if I don't like the company?** The staff at ELE USAL Mallorca works hard to place you with the right company. You are however entitled to change employment once. However we would require a full written report from you detailing why you want to change. We would also require a report from your host company before making a decision.

IMPORTANT: trainees must follow the company's rules as an employee. He is expected to arrive on time, to deal correctly with the assigned tasks, to wear in a professional way and to behave in a respectful manner. A trainee works less hours than an employee (normally 6 hours per day and 5 days per week) The employer will set the working-hours according to the company's needs.
